

Dash for Trash

A scavenger hunt with a purpose

Where: Liberty Square

When: October, TBD

Keep Charleston Beautiful and the [College of Charleston](http://blogs.cofc.edu/volunteer/events/dash-for-trash/) come together to encourage college students to clean up the community in a fun and creative way.

Each October hundreds of college students run around town picking up litter and tossing it into carts. Students work in teams of 10 to clean up the community all the while earning points that win prizes.

In 2012 CofC students collected 1580 pounds of trash, 270 pounds of recyclable materials, 240 lbs of tires, just over 7 lbs of cigarette butts, and many bags of dog litter from the local community

We would like to thank all the students who come out and spend their morning dashing through town collecting trash and helping to clean up Charleston.
